

# Benton

Linked to the Craftsman movement but with a twist, the Benton 5-panel raised molded profile from Lynden Door employs traditional bead and cove style sticking, which brings a stylish sophistication to any interior space.

- True raised panels with a smooth finish.
- 5-Panel raised profile is at home in contemporary architecture and time honored spaces.
- Made from molded high density fiberboard. Resists shrinking, swelling, cracking and joint separation.
- Passage and bifold doors offered in 6'8" height and up to 7'0" & 8'0"
- Wide top and bottom rails allow trimming of up to 1" on each end.
- Engineered wood design outperforms wood doors while offering superior value.
- Door facings contain No Added Urea Formaldehyde (NAUF).
