

FineLine Collection Profiles and Bifolds

The FineLine Interior Door Collection draws its inspiration from the vibrant neighborhoods of the Pacific Northwest, reflecting the unique charm and character of Portland, Seattle, and Vancouver.

Alki, Montlake, Ravenna, and Ballard evoke Seattle's iconic neighborhoods, blending modern style with coastal influences. Meanwhile, Parkrose and Laurelhurst capture Portland's architectural elegance. From Vancouver, Denman, Granville, and Fairview speak to urban sophistication and cultural vibrancy, while Robson adds a touch of cosmopolitan flair. Each door name tells a story of connection to the region's rich heritage.
