

ABERDEEN

STYLE: MOLDED FLAT PANEL | SMOOTH

Aberdeen has serious design presence with its modern form and three panel profile. Fresh and unassuming, Aberdeen contributes both style and symmetry to small and large spaces.

FEATURES

Contemporary modern profile with design flexibility and timeless charm. Flat, smooth panels – closely resembles a Shaker or square profile.

- Molded fiberboard. Resists shrinking, swelling, cracking, and joint separation.
- Offered in hollow or solid core construction and 1-3/8" and 20-minute rated/non-rated 1-3/4" thickness.
- Passage and bifold doors offered in 6'8", 7'0" & 8'0" sizes.
- 10" high bottom rail in 7'0" and 8'0" sizes. Meets most disability access requirements. See line drawings for details.
- CARB (California Air Resource Board) and TSCA Title VI compliant door facings with No Added Urea Formaldehyde.
- Custom factory machining and painting available.
- Wide top and bottom rails allow trimming of up to 1" on each end.
- 1-year limited warranty.
